Kidsplay Therapy is the best decision we have made for our son, Jamie, and for our family! 
At Kidsplay, we have found a "second home" for Jamie that he absolutely LOVES, challenges him developmentally, enables him to grow socially with his peers, and most importantly loving, dedicated teachers and therapists who have devoted themselves to Jamie and to each and every child.

When our son Jamie was diagnosed with autism we already had a strong support system in place to help us through the process, ~~we found~~ invaluable sources of information and inspiration.
At Kidsplay, everyone works as a team to provide the greatest level of success for Jamie!

Each accomplishment, each  milestone (no matter how small) is a celebration!
